Royalton Town Plan Survey: Chris Sargent

- Sargent led the group through the actual survey page by page, explaining which questions he took out for space and its overall organization.
- Suggested Amendments to Survey
  - Bob—add an urgency sentiment into the letter portion
    - To amend Question 42 to be a general inquiry into town issues
  - Jim—Floodplain question added after a brief discussion of the town's floodplain zoning
  - "As I understand zoning today..." amendment
- Discussion of mailing list inclusivity led by Chair and Bob
  - Decided that there would be an addition to the online version to include the law school
  - Businesses discussed as well
- Technical Details of mailing plan and costs discussed by Chair and Bushrod
- Plan to let town know about Survey
  - An FYI will be sent to other leaders of town committees
  - Article and Ad will be posted in the Herald—Sargent to check on cost
- Final Amendments to Chris this week, approve final survey at next meeting

Other Business:

Updates from Water Hastings(floodplain) and Gidget Lyman (disaster planning) will hopefully happen at the first meeting in June.

Incubator Business Site: Bob and Chair

- Idea to use the old town office building as incubator business site for youth
  - Young person would need a business plan and a mentor
