APPLICATION FOR SPRINKLER FIRE PROTECTION SYSTEM INSTALLATION

Instruction: This application for a sprinkler system shall be submitted with two (2) copies to the Royalton Fire District #1 (RFD1), and (1) copy to the Fire Chief. Included with this application shall be a \$75 fee to cover the cost of the Superintendent (Super) and the Fire Chief conducting initial review of the application for the proposed project. The Water Department shall be furnished with three (3) sets of Record Drawings and one (1) set of reproducible Record Drawings along with this application. All Record Drawings shall be 24" x 36" in size and drawn to a 1" = 50' or 1" = 40' scale, to be then taken up at a regular Board meeting with completed application. Upon acceptance of the project, the Board will be provided with a timeline of the proposed project. The designer or foreman of said project will notify the Super and the Fire Chief on the day that construction begins and establishes a schedule for the routine inspection of the progress of installation. Site visits by the Super shall be billed to the customer at \$25/hour and will not exceed 1 hour for each visit. The Super will make up to 3 scheduled inspections each week. The Fire Chief will make 1 scheduled inspection and will be billed at \$40/hour to the customer per Royalton Fire District #1.

PROVIDE THE FOLLOWING WITH THIS APPLICATION:

- Initial Application/Plan Review Fee:
- Three (3) sets of Record Drawings
- One (1) set of reproducible Record Drawings.

NOTE: All Record Drawings shall be 24" x 36" in size and drawn to a 1" = 50' or 1" = 40' scale.

Installation & Inspection Expectations

A professional sprinkler designer in consultation with the Board will determine if such protection is even feasible on a given site. An application will then be submitted to the Fire Chief and the Board. Any costs of modifications to the water system undertaken to provide private fire protection to a given building within the RFD1 will be borne by the customer.

I, certify that the above information is accurate and I am or am authorized by the owner to file this application on their behalf.

I agree to abide by all rules and regulations as specified in and by ordinances of the Royalton Fire District #1 Water Department now in effect or enacted and passed from time to time, providing for the regulation of said water system or specifying fees and rates to be charged for connection and water service furnished by said District. On site private fire protection installed by or for the customer shall remain the property and liability of the customer and shall be maintained by the customer, and tested as required, at his/her expense. Failure to notify the Super of such a test and/or to arrange for his/her presence at said test, or to arrange for inspection of any alteration of the customer's private system, will be subject to a \$200 fine. Please see the attached RFD1 Sprinkler Ordinance for more information.

I understand that all bills for the aforesaid charges are payable within thirty (30) days following the invoice date of said bills, and if not paid, are subject to one percent (1%) interest per month. Fees are billed based on a yearly amount with regard to the connection size to the system.

I understand that after making this application, I am to await installation permit and instructions therewith.
