Old Business:

Green Up Day: (May 5)
Kerri Rogers and Rec Dept. are running the day
Hoyt will create a flier or brochure to hand out
The RCC will have table at Green Up Day
Ian will check on getting a banner made, possibly with logo
Emerald Ash Borer – handout? (**Brad**)

Bethel CC: is willing to work with us if/when we have project(s)

New Business:

CC Web site/ Facebook page **Brad & Ian** will be at the 4/24 Selectboard meeting

Sarnoff Property Land Management Plan: we received the forest management plan
Selectboard and Planning commission need to sign off on plan
Brad and Ian will be at the Selectboard meeting 4/24 re: FB page and to inquire about next steps
for RCC part in the land management plan.
All read and comment on the Land Management Plan before next meeting. Check on the
recommendations. See how we can integrate them with RCC goals.

Emerald Ash Borer **Brad** – to look on Vermont Invasive website to obtain some stats on Ash trees and the Borer

BioFinder Workshop <http://anr.vermont.gov/maps/biofinder>

Great workshop, attended by Brad, Tico and Hoyt. Wonderful to see all the different maps and how they overlay each other.

Monica Przyperhart, Fish & Wildlife Specialist 1, Wildlife Div., Rutland, VT, 802-461-5118
