State Emergency Operations Center Shelter and Warming Center Update

Shelters open as of 11:00am November 30:

- **Barre Municipal Auditorium:** 16 Auditorium Hill. People may bring pets to this shelter. Local officials request that people enter through the double glass doors to the right of the main granite stairway and take the elevator to the basement. People are asked to park by the stairway rather than in the rear of the building.
- **Hartford High School:** 37 Highland Avenue, people may bring pets to this shelter.

Warming Centers open as of 11:00am November 30:

- **Bradford** - National Guard Armory, 99 Fairground Road
- **Chester** - Town Office
- **Londonderry** - Volunteer Rescue Squad
- **Ludlow** - Ludlow Community Center
- **Northfield** - National Guard Armory, 161 University Drive (Norwich University)
- **Starksboro** - Robinson Elementary School

A list of shelters and warming centers will be updated as those facilities close or new centers open on the Vermont Emergency Management website, <https://vem.vermont.gov>.

Individuals also can call 2-1-1 to find an overnight shelter or a warming center, or to report their current sheltering or warming needs. That information is shared with Vermont Emergency Management to help determine the areas of greatest need for warming or overnight accommodations.
