

Because the “free table” has become a dumping ground for trash and hazardous materials, this service has been discontinued. We have tried repeatedly to sign the area with guidelines only to have those signs removed by the public or ignored entirely.

We encourage you to pass along your “gently used” items to a local Thrift Store, advertise free items in a local paper or utilize one of the many social marketplaces available on-line.

Wondering what sorts of items people have left behind ?
