

10-6-20 Royalton Planning Commission Meeting

Present: Geo, Nell, Peter Anderson, Stuart, Sarah, Roni

Call to order by Stuart at 7:06

-Welcome to Peter Anderson new member

-driveway permit of David and Kelly Brown on Rousseau Rd., Bushrod stated that he and Chris Noble noted that road needs a new culvert but the driveway looked fine to him, Stuart agreed, best location for that property as long as they take down the mound on the left side of the proposed drive, general concern about the culvert needing to be bigger but is thought that it might be the town's responsibility

Motion by Bushrod to suggest the driveway be approved by the select board Roni seconded, all in favor

-minutes of July and August need to be approved, motion by Roni to approve Bushrod seconded, all in favor, Peter abstained

- Sarah contacted by VLS student Green Committee interested in organic waste composting, doesn't know much about it, they are looking at various ideas, might need help getting a survey to local folks

-Nell update on the RR underpass art project looking RFQ Request For Qualifications around November, will get assistance from Vt Arts Council \$5,000 total budget, Peter suggested mirrors for safety, have a group of people interested in looking at this

-Peter asked if building permit needed in Royalton, answer nope

-motion to adjourn Roni Bushrod seconded, meeting adjourned 7:38
